

Interview Questions for the instructor

1. What was your teaching experience like in general?
2. Do you feel students were more motivated doing real activity of cooking than simply using photos?
 - 2-1 In either case, can you name as many reasons for your idea as you can?
 - 2-2 Do you think this is feasible to implement in schools?
 - 2-3 Do you think students would be interested in carrying out similar activities again if they had the opportunity?
3. What were the challenges for a teacher to teach language through cooking?
 - 3-1 How did you deal with these challenges?
 - 3-2 Can you suggest any solutions to the challenges for other teachers?

Thank you very much for sharing your thoughts with me
